What You've Done so Far

So far, we've had a look at definitions of stress and briefly considered theories about why people stress. Of course, worry and anxiety are not just theoretical – they're real, lived experiences!

What's Next

To take charge of your own worry, it's necessary to dive in and try the theories on for size yourself. Even if you're not completely self-confident by this point, remember that now that you have the base knowledge, you also have the foundation to act and succeed.
